HIS MAJESTY THE KING has been graciously pleased to approve of the award of the Victoria Cross to the undermentioned officer:

Lieutenant Percy Valentine Storkey, Infantry.

For most conspicuous bravery, leadership, and devotion to duty when in charge of a platoon in attack. On emerging from the wood, the enemy trench line was encountered, and Lieutenant Storkey found himself with six men. While continuing his move forward, a large enemy party—about 80 to 100 strong—armed with several machine guns, was noticed to be holding up the advance of the troops on the right. Lieutenant Storkey immediately decided to attack this party from the flank and rear, and, while moving forward in the attack, was
joined by Lieutenant Lipscomb and four men. Under the leadership of Lieutenant Storkey, this small party of two officers and ten other ranks charged the enemy position with fixed bayonets, driving the enemy out, killing and wounding about thirty, and capturing three officers and fifty men, also one machine gun. The splendid courage shown by this officer in quickly deciding his course of action, and his skilful method of attacking against such great odds, removed a dangerous obstacle to the advance of the troops on the right, and inspired the remainder of our small party with the utmost confidence when advancing to the objective line.
